

# Telford 50 Buildings Legacy Project

Please suggest the building you would like to us to produce a virtual tour of as part of the Telford 50 buildings legacy project.

Wappenshall Wharf

Please explain your reason/s why you have suggested this building.

The two fine Grade II Listed warehouses here played a major part in accelerating the Industrial Revolution and one of them is to a design by Thomas Telford. It would be fitting to celebrate this by including the wharf in the Town 50<sup>th</sup> year celebrations

If you have the permission to do so please provide the details of the owners:
